

COMMERCIAL

& CHARITY PARTNERS

At Bromsgrove Sporting, we have around 100 local businesses who sponsor the club in various ways.

Within the ground, advertising boards are a great chance to display your brand logo, this can also be backed up with programme advertising if you wish.

All sponsors are given exposure across our social media channels and we are happy to work with your business to develop any bespoke sponsorship requirements.

Our latest sponsorship packages and details on our club partners can be found on our website at:
bromsgrovesporting.co.uk/sponsors-page/

During the 2022/23 season, we began offering charities the opportunity to have free advertising within the ground. The charities we partner with provide excellent support to the wider society in various areas and are very well integrated in the local community.

For more details on our charity partners, visit:
