## From the Boardroom - Rod Brown, Chairman

Welcome all the directors, management, players and supporters from our opponents Barwell today for their visit to the UK Electrical Stadium.

This is our first home game of 2026, following the last match we hosted, a draw against our local rivals Redditch United.

We come into the New Year with a change in our own management structure, with now Tim Flowers returning after taking over from Scott Adey-Linforth.

This was a decision not taken lightly. However, having discussed with Scott a month before his departure, we highlighted our concerns regarding our declining league form and the lack of new signings to strengthen the squad. Therefore, we took the decision to bring in more experience, and similar to when Tim was successful previously keeping us in this league when in a difficult position.

This runs parallel with the Club's difficulties in sustaining the necessary funding for this level of football. With that in mind I have been in dialogue with five successful local businessmen to form a "rescue" consortium that can stabilise the Club financially and we can then build upon that to improve the Club both on and off the field.

The board of directors has accepted a proposal that allows the consortium to buy an additional 3000 shares which will give them a 75% controlling position. The funds will go straight into the Club.

It sets up an exciting prospect going forward. We have plans to sweat the assets of the club commercially particularly on non-match days. Also, there is an appetite to improve the budget that will allow Tim to build a squad that will not languish around the bottom six of the division next season.

Already we have served 10 seven-day approaches for players in just four weeks; that's more than we had in the previous five months. So, you can anticipate a lot of "coming and goings". The challenges are still here though as we need to try to break clear from the bottom six and we definitely need as much support as possible. We need you - the crowd to get behind Tim and the lads.

Meanwhile enjoy the match today.

## Manager - Tim Flowers

Good afternoon and may I welcome everybody to today's match, the first at home since the game against Redditch United at the end of last year?

In particular can I welcome directors and supporters of Barwell along with their manager Jimmy Ginnelly and his players?

Since I took over the hot seat in December, my tenure has been dominated by recruitment and after losing a number of players to seven-day notices. Replacing them has been difficult with players available either not being good enough for

the standard we play, or their wage demands have been excessive.

In training we have been working hard on fitness, organisation and set-pieces. That has led to what has been some good performances where we have played well against better sides such as Redditch United and Bishop's Stortford but unfortunately, we missed chances to win matches that has cost us around 3/4 points that I hope will not be regretted later in the season.

However, we are in something of a dogfight and a perilous position, so we need to get points on the board.

Many of the things that we have tried out in training are being implemented in matches and all of the lads are learning well and implementing what they have been taught.

Today will only be my second home match and our form here at the UK Electrical Stadium is critical to our ability to progress.

We are fortunate to have a good following here in Bromsgrove as witnessed by the tremendous crowd that turned out for us just after Christmas and I am sure that support will continue to get behind us and enable us to push on.

We will be looking over our respective shoulders but with a good run and your support behind us, there is no reason why we cannot move up the table.

It may now be a bit later but as I have not had the opportunity to say it so far, my good New Year wishes and enjoy the game today.

## From The Archives, 10 Years Ago

Midland Football League Division One - Saturday 23rd January 2016 - 3:00 p.m. kick-off

### **Bromsgrove Sporting 4 (1) Bolehall Swifts 1 (0) at the Victoria Ground**

Bromsgrove Sporting surged to the top of the Midland Football League Division One as they beat strugglers Bolehall Swifts 4-1 on Saturday afternoon.

The home side took an early lead thanks to a Craig Jones header, but the advantage was cancelled out shortly after the half time interval, when Tom Lapworth's effort was adjudged to have crossed the line.

However, Sporting soon stepped it up a gear, as two quickfire goals from Aaron Roberts and Sean Brain put the result beyond much doubt as the visitors began to tire.

Kyle Turner added a fourth 10 minutes from time and put the seal on a win that puts Sporting 2 points clear of Coventry United having played 3 games more.

The opener came after ten minutes, when Sam Wills' inviting free kick was glanced into the bottom corner by the head of captain Jones.

Both teams had chances not long after, with Bolehall 'keeper Thomas McNulty tipping Will Tibbetts' ambitious corner over the bar and Simeon Smith blazing his one-on-one effort dismally in the same manner. Real chances were few and far between for the remainder of the half, as Connor Collins and Jack Wilson had speculative efforts miss the target for the home side whilst Smith had a looping header hit the upright for the visitors.

Sporting's first half display was largely lacklustre by their usual high standards, and it looked as though they might have been made to pay for it when a goalmouth scramble in Sporting's area resulted in Lapworth's header just creeping over the line, despite the effort of Jones to hook the ball clear. However, the Sporting faithful were soon in high spirits again, as an accurate Tibbetts corner was met with a bullet header from Roberts only 60 seconds later.

The lead was doubled within five minutes, and it was a goal that Bolehall keeper McNulty will want to forget quickly. Haring out of his box to reach the ball, he was beaten to it by Brain, who skilfully took it around and confidently placed the ball into the empty net.

Wills had an effort saved on the 80<sup>th</sup> minute but he was directly involved in the fourth, as his pinpoint cross found substitute Turner, who deftly volleyed the ball into the roof of the net.

Benn Minshull could have given the away fans another goal to enjoy but his free kick could only find the grateful hands of Chris Jay, whilst another Sporting replacement, Luke Dugmore, blazed a long-range drive wide of the mark.

Another solid win in the end for Bromsgrove but it was not entirely convincing at times, despite it being their ninth win in a row in all competitions.

### **Bromsgrove Sporting Ladies** **Bromsgrove Sporting 1 Worcester City 5**

The Ladies had their first game in 6 weeks today, as they hosted Worcester City Firsts in the Worcestershire County Cup Quarter Final at the UK Electrical Stadium. Before the game, both teams paid their respects to Ladies supporter, and captain Amy Goodison's late father, Malcolm Kendall with a minute's silence.

The Ladies did not give their opponents any time on the ball from the off and had some nice passages of play moving forward but couldn't find space to get shots away.

Worcester grew into the game and started to dominate possession around 15 minutes in. In the 17th minute, Worcester's midfielder played a defence-splitting pass before their striker opened the scoring.

Sporting still carried on battling hard, and limited Worcester to shots from outside the area. The Ladies defence stayed strong, and goalkeeper Maya Smailes pulled off some outstanding saves.

The Ladies were unfortunate to go in at half time 2-0 behind, after a fortunate cross found the far corner from the Worcester winger.

At half time, the Sporting coaches rallied the team after a strong first half performance, and the Ladies came out fighting. Sporting came close to a reply at the start of the second half, with Ashleigh Kennedy's shot being saved on the line. Shortly after, Worcester scored a quick double to make it 4-0 after Sporting switched off and were made to pay for a couple of lapses of concentration.

Sporting didn't drop their heads and pushed for a goal, which they got on 78 minutes. Shy Atkins played a well-directed ball over the top to Elloise Russell who took her only clear sight on goal with great composure to pull one back.

Worcester wrapped up the scoring with a brilliant strike from 25 yards into the top corner to make it 5-1.

The Ladies may be out of the cup, but management were very proud of the performance, with many positives to take into next week's home fixture vs Halesowen Town. Sporting's defensive work made Worcester work hard for their chances, with Amy Goodison and Lucy Pearl making a number of important blocks and interceptions, with a number of impressive saves by Maya Smailes.

We wish Worcester the best of luck for the semi-final.

## **Rovers' historians Michael Tovey and Graham Reynolds continue their journey through 140 years of Bromsgrove football, choosing their player of the decade for the 1940s.**

The 1940's must have been a wonderful time to be a regular down at the Victoria Ground. What a turn around after the general doom and gloom of the inter-war years - and not a battle with re-election in sight! Following the end of the Second World War, football resumed ahead of the 1945/46 season. With Frank Harris at the helm, the Rovers reached the lofty heights of 3rd in the Birmingham Combination, and then the following year, and after over half-a-century of trying, they finally captured a league title, pipping Walsall Reserves to the Combination top spot by three points. That season they also won the Worcestershire Senior Cup for the first time, defeating Wellington Town in front of 5,768 fans, a late goal from Eli Hough giving Rovers a hard fought 4-3 victory.

In 1947/48 they retained the Worcestershire Senior Cup, beating Hereford United 3-0 at St George's Lane, having made even more history earlier in the year by reaching the First Round of the F.A. Cup - where they lost 2-1 to Third Division Aldershot Town. Never outside the top five in the league, cup final appearances, FA Cup runs, the level of success the club had in the 1940's was unprecedented and had to have provided a real boost to the town which had suffered the inevitable hardships of a global conflict.

Some wonderful players graced the hallowed turf of the Victoria Ground in this golden age for the club. Frank Skitt was one of Rovers finest ever keepers, eventually clocking up 289 appearances over two spells between 1945 and 1956. Arthur Davenport was a quality full back who made 140 appearances. Norman Williams began a distinguished Rovers' career that lasted into the 1960s. Michael "Paddy" O'Mahoney and Cliff Galliar were outstanding half-backs who both notched up over 150 appearances. The 1940s also saw the arrival of Joe Wainwright. More about him later... In the forward line, a couple of wingers stand out; Jack Giles on the right, who made 153 appearances, and Eli Hough on the left, who also joined the '100 Club' and would no doubt have played many more games had he not been forced into early retirement at the age of 25 due to problems with a perforated duodenum. Welshman Eddie Cave was another fantastic servant, playing 170 games mainly from the inside positions. But really, there could only be one choice as our 'Player of the Decade' for the 1940s, goal scoring sensation Bill "Nodder" Oldnall.

Bill was born on 1 February 1920, in Smethwick. As a youngster, he excelled at football and represented Smethwick schools. He began his career playing for the Railway & Carriage Works company team. After being made redundant, he took on a job at a cycle export factory before he was called up to serve his country in the Second World War. During the war, he spent five years as a prisoner of war in Poland, and as the Russians were pushing the Germans back from the East, he endured forced marches of up to 30 miles a day for 10 weeks. Thankfully, unlike many others, Bill survived this horrendous ordeal.

After the war, Bill returned to work at the cycle factory and signed for Dudley Town. Unable to break into their first team, he was given a trial by the Rovers, making his debut against Stafford Rangers on 2 November 1946. He failed to score that day, but the *Bromsgrove Messenger* immediately saw his potential, commenting "The Rovers seem to have remedied a weakness at centre forward, where Oldnall showed some clever touches, opened out the play nicely and was not afraid to have a "bang" where opportunity arose... but he should score if persevered with." How right they were!

Bill got off the mark in style in the very next game, bagging a hat-trick at home to Walsall Reserves, not a bad way to ingratiate yourself with the fans! After that, the goals just kept coming, a good proportion of those were scored with his head, hence the nickname "Nodder". In April, he helped himself to a seven-minute hat-trick against Wolverhampton Wanderers 'A'. Towards the end of May, he banged in four goals as the Rovers beat Worcester City 5-0 - a result that sealed the Birmingham Combination title. That match also saw Bill pass the club goalscoring record for a single season, previously held by Sammy Small, with 40 in 1933/34. Bill wasn't finished though, scoring two in the Worcestershire Senior Cup final triumph over Wellington Town, and notching yet another hat-trick in a 7-4 victory over Kidderminster Harriers. He ended up with 49 goals from 37 matches. Think how many he might have scored if he had been with Rovers from the start of the campaign!

Bill's amazing goalscoring form continued into the 1947/48 season. He broke new ground for the club in a match against Bedworth Town at the Victoria Ground at the end of August, becoming the first man to score a double hat-trick in a 7-2 victory. Hat-tricks followed against Oswestry Town, Gresley Rovers, Brush Sports, Walsall Reserves and Atherstone Town. He also netted four against Hinckley Athletic as Rovers finished a respectable 5th in the Birmingham Combination. Incredibly, he beat his own club record, scoring 51 goals in 44 games, while during the season he became the clubs all-time leading scorer, passing the 84 goals Norman Lacey netted in the 1930s. While 1948/49 was a less remarkable season with no cup runs of note, the club still managed a decent 4th place league finish - how the success starved fans of the inter-war years would have killed for that! Bill didn't stop scoring though and for a third season running he beat the club record for goals scored - this time 54 goals in 44 games. Real 'Roy of the Rovers' stuff!

The following year was another fine season for both the club and Bill. The Rovers were runners-up in the Birmingham Combination and again reached the First Round of the F.A. Cup, where they faced Hereford United. That match took place in front of 10,150 spectators, the largest ever crowd for a Rovers fixture. Sadly, Bromsgrove went down 3-0. Still, the goals flowed freely and for the fourth season running Bill reached the 50 mark, finishing up with 51 goals from 47 games. Surely, a feat that will never be bettered?

During the 1950/51 season, Bill went down with a nasty bout of pleurisy but was fit enough to take part in Rovers' third appearance in the First Round of the F.A. Cup in November, when over

6,000 fans packed into the Victoria Ground to see them go down once more to Hereford United. Despite having an injury ravaged season, he still managed a very respectable 22 goals in 27 matches. The whole of Bromsgrove probably let out a collective groan when he signed for Stafford Rangers at the start of the following campaign. Bill returned to the Rovers for the 1952/53 season, but it wasn't the same and he only played in the first two games, making his final appearance in a 0-0 draw away at Sutton Town on 30 August. Around this time, he was made redundant. Although he was offered another job, this was conditional on him playing for the works side, so 1953 saw him playing for Allen Everitt in the Birmingham Works League, a rather underwhelming end to an

outstanding career.

There have been some superb goalscorers for Bromsgrove before and after Bill - George Bushnell, Norman Lacey, Maurice Hackett, John Bayliss, Alan Craddock, Chris Hanks, Recky Carter, Jason Cowley to name just a few. You would be hard pushed to argue that Bill was not the greatest of them all.

**Bill "Nodder" Oldnall, a true Rovers great, 1946-1952. 201 appearances, 227 goals.**

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit [www.thenonleaguefootballpaper.com/subscriptions](http://www.thenonleaguefootballpaper.com/subscriptions)

The Non-League Paper provides a column for club programmes each week. Here is last week's contribution is from Jon Couch.

IF there's one thing we dread at NLP Towers on a Saturday it's attempting to keep abreast with the raft of postponements caused by wet and wintery conditions.

Dummy pages have to be written and drawn, sometimes never used, match pages require a complete overhaul and reporters need contacting with revised instructions for those games that do go ahead. It's an absolute nightmare, believe me!

But we are not the only ones whose days has been put out by such an event.

Managers, players, supporters, matchday volunteers, are all of which are severely inconvenienced - and also out of pocket with both clubs too losing thousands in travel expenses and lost revenue.

And then there's the poor matchday referees - the ones who make those all-important decisions to call a game off for whatever reason, causing anger, frustration and often resentment for all concerned. They simply cannot win.

Safety of the players must come first, and referees know that something does go wrong, then there are huge consequences. The last thing they want is to call a game off - no-one is doing so deliberately.

This week in The NLP we ran a guest column with Farnborough manager Spencer Day.

His team found themselves at the eye of a storm, quite literally, a fortnight ago when their National League South game with Chelmsford City was postponed very late on.

And their game wasn't the only one to fall, with other local matches at Eastleigh and on the 4G at Bracknell also falling at the 11th hour, along with Bath City v Southend United in the FA Trophy, much to the ire of the away contingent who had travelled almost the entire width of the country, only to be turned away.

A number of theories and unfounded suggestions have been thrown out there in a bid to combat such an eventuality, but according to the Boro boss, there is no resolution.

"We live in the UK and the truth of it is we are bound by the weather," Day told us.

"Our games fell to the most bizarre conditions seen for quite some time.

"I saw our pitch on Friday, and I was amazed by the excellent condition it was in.

I'd been communicating with Chelmsford and [manager] Angelo Harrop all week and when I got to the game on Saturday I walked it, as I always do, and didn't see any issue at all. The pitch looked fantastic.

"Then, 40 minutes later, the referee turns up and told us there was an area of the pitch that had frozen over that he wanted to look at. I mean, yes, it was hard, no question, but it was tiny, about a foot in area, and the temperatures weren't dropping.

"In theory, could we have tried something? Maybe, I'm not sure. Could we have chucked boiling water on it? Again, I don't know. But it was obvious at the time at that point that it had to be called off so I'm not blaming him.

After he called the game off, I left the ground at 5 o'clock and I decided I wanted to walk the pitch just to see what it was like, and it completely softened. It had actually got warmer, which is crazy. It's the weather. I wish there was an answer." With a handful of games postponed last Saturday due to waterlogged pitches, and more bad weather on the way, don't expect this situation to be brushed under the carpet anytime soon.

Health & Safety is top of the priority list of football authorities and in these days of social media, such decisions come under scrutiny like never before, adding copious amounts of pressure to the officials, part-time themselves more often than not.

Has the world has gone risk adverse? Day, for one, believes it has, but he also urges supporters to step back and look at the bigger picture when letting their frustrations be known.

"I'm a big supporter of the leagues, the FA and politicians - I think they have impossible jobs," he added. "They are damned if they do and damned if they don't in whatever decision they make.

"Everyone's trying their best to resolve what it an impossible situation, but sometimes your best isn't always the popular decision.

"All you can do is apologise to everyone but in some respects, I don't know what we're apologising for. No-one can control the weather."

# Today's Visitors - Barwell FC - Club History

The

Club played for the first time in the Midland Combination under the name of Barwell FC in the 1992/3 season when Hinckley FC joined forces with Barwell Athletic from the Leicestershire Senior League. Barwell became one of the founder members of the Midland Football Alliance League on its formation in 1994/95. The Sports complex with its bowling, cricket, and football facilities and sports club is situated just out of the centre of the village making it an ideal venue for local residents.

The facilities of the complex include a cricket pitch - which was used for two Leicestershire 1st XI county championship matches just after the Second World War, is a current venue for some Leicestershire second eleven and youth team matches. There is an outdoor bowling green and a magnificent indoor bowls centre complete with bar and restaurant serving a wide range of drinks and meals at prices to suit all pockets.

Floodlights were installed prior to the 1992/93 season and have been updated to comply with current FA lighting regulations. A new cantilever stand to seat 500 spectators was built prior to 1996/7 season and during the 1997/8 close season the ground was enclosed, an important step in our quest for higher status. Towards the end of 2000/01 season a new cantilever stand was erected at Kirkby Road and officially opened by goalkeeper Chris Kirkland on 31st July 2001 - a Barwell lad.

Barwell reached the last sixteen of the FA Vase in 1995/6 losing 3-1 away at Flixon. In 2009/10 they reached the semi-final narrowly losing out to eventual winners Whitley Bay after two keenly contested legs. Other honours include the Leicestershire Senior Cup in 1996/7, the President's Trophy in August 1997. They have also reached the final of the Westerby Cup (played at Filbert Street and latterly the Walkers Stadium) in 1999/2000, 2000/01 and 2004/5 unfortunately losing all three finals to Leicester City, Hinckley Utd and Dabby Town respectively then beating Quorn in 2008/09 and narrowly losing to Loughborough Dynamo the following year. Barwell also reached the League Cup Final losing after extra time to Rushall Olympic.

A new Manager, Bob Steel, took over the reins at Barwell in February 2004 and brought in Steve Greenhill and Ian Blyth as Assistant Managers (with Ian also being coach). He has steadied the side and instilled his way of playing into the players and gradually collected the squad he wanted.

2006/7 finally put some silverware on the shelf when Barwell won the Polymac services league cup final at Walsall's Bescot Stadium, beating Leamington 3-1.

2006/07 saw Barwell finish in a disappointing sixth position and come runners up in both the Westerby Cup and the Rolleston Charity Cup. It was also the first season for Barwell's Youth team who played in the Leicestershire Midweek Floodlit Youth League finishing a creditable sixth in the League and to round things off, the reserves also finished sixth with a great run of results to finish the season.

2007/08 was a somewhat mixed season for the Club. The first team saw two changes of manager. Bob Steel stood down in November to take on the running of the Sports Bar on the complex and his Assistant Ian Blyth took over as manager. After a run of indifferent results and the team slipping towards the bottom three, the Club decided to appoint a new manager in Marcus Law. Marcus took over the reins in February and with a run of good results lifted the Club to a respectable mid-table finish. The Reserves had a great season, despite losing a lot of players to the First Team, finishing third with the Youth Team finishing runners up.

2008/09 was Marcus' first full season at the Club and he has brought in Paul O'Brien as his Assistant with Coach Lee Knibbs, Goalkeeping Coach Pat Pattinson, and Sports Therapist Alan Cooke. They finished runners up in the League on 91 points and also won the Westerby Cup beating Quorn 2-0 at the Walkers Stadium.

2009/2010 saw the club's most successful season ever with Marcus attaining promotion to the Evo-stik League First Division South at his third attempt. The year started well with a 4-0 victory in the Joe McGorian Cup over previous League winners Market Drayton Town. The team broke all club records gaining 114 points and scoring 125 league goals whilst maintaining an undefeated League record. Barwell also reached the semi-final of the FA Vase where they narrowly lost out to Whitley Bay after a nail-biting two-legged encounter which saw a massive 1279 crowd at home and 2730 at Whitley. Also, the Canaries reached the final of the Westerby Cup, narrowly losing out to Loughborough Dynamo 2-1 and beating Hinckley United 3-0 to win the Rolleston Charity Cup.

2010/2011 ... again proved to be a very successful season. The season started where the last one had finished ... on a winning streak. In September the Manager, Marcus Law, left with our best wishes for a full-time post at Kettering Town. Assistant Manager Paul O'Brien took over with Jimmy Ginnelly taking the post of Assistant Manager. Unfortunately, Paul had to step down due to work commitments and so he and Jimmy swapped places for our third change in two months. As always with a new manager there are comings and goings, but Jimmy managed to retain most of the squad and won the League at the first attempt.

During the closed season, Barwell were put into the Evo-stik League Southern Premier Division and so for the first time

will be competing at level 3. Paul O'Brien left the club during the closed season to take up a coaching position with ex-manager Marcus Law, now at Tamworth. Martin Hier stepped up to Assistant Manager and Craig Woodley joined the Club as coach. Rob Lawrance also came on board as goalkeeping coach.

2011/2012 ... was Barwell FC's first ever season at Step 3 or equivalent in the club's history. Jimmy Ginnelly brought in a number of players to consolidate the team's position and others inevitably moved on to other clubs. Matches were increasingly challenging, but Barwell took some notable scalps with wins over the top teams in the division. Rising to sixth place in the table at one point, the Canaries ended the season in a very creditable ninth place. Craig Woodley left the club after one season as a coach to take up a similar position in the USA. The Reserves saw a significant change with Steve Greenhill stepping down to leave Andy Gray in sole charge. Results did not go their way for much of the season, and they finished tenth out of twelve teams in the Midland Combination Reserve Division One. However, they reached the semi-final of the Midland Combination Challenge Trophy where they narrowly lost out to Chasetown after two keenly fought matches.

2015/2016 This season was most notable for Barwell reaching the 1st Round proper of the FA Cup where they went out at home to Welling United of Step 1 - a game where the highlights were shown on the BBC on Match of the Day. In the league, Barwell finished very well in ninth position.

2016/2017 Barwell finished 14th in the Northern Premier League.

2017/2018 Barwell finished 10th in the Northern Premier League. This was not a season with much to shout about in the cup competitions with exits from the FA Cup in the 2nd Qualifying Round at AFC Telford and in the FA Trophy at home in the same round to Mildenhall Town.

2018/2019...Barwell were moved to the newly created Central Premier Division of the Southern League. Jimmy Ginnelly left the post as Barwell manager to join Nuneaton Borough and his assistant, Guy Hadland, was put in caretaker charge. Over a busy Christmas period Guy did enough to secure the job on a full-time basis. Barwell finished the season in 16th place and also managed to reach the FA Trophy 1st round proper, going out at Spennymoor Town.

2019/2020...The season that never was! Guy Hadland continued as manager and was looking forward to his first full season as manager. Barwell were on a good run when the season was brought to an abrupt end due to the COVID-19 pandemic. Their final game was a 4-1 win away at Bromsgrove Sporting and this placed them 12th. Barwell made the final of the Leicestershire Challenge Cup but the final, against Anstey Nomads, was never played. Brady Hickey and Tolani Omotola finished as top scorers.

2020/2021...Another season that ended early due to COVID-19. Only 10 games were possible in the league, FA Cup and FA Trophy before the effects of the pandemic were once again felt across the football world. During the winter months and into early 2021, Barwell FC put together a successful bid for grants to put in an artificial pitch. This funding, along with money raised from local people and the fabulous supporters, saw the work start on 19th July.

2021. A new dawn was coming for Barwell FC and the village of Barwell.

2021/2022...The first full season played after the pandemic and one that saw Barwell retain their Step 3 status with a memorable 2-0 win away at local rivals Nuneaton Borough. It was a very mixed season with some good results but a number of disappointing scorelines. Ben Stephens was a highlight of the year, ending the campaign as the league's highest goalscorer. Guy Hadland stepped down as manager at the end of the season and was replaced by Ian King.

2022/2023...Ian King and his backroom staff did an incredible job in their first season in charge of Barwell, finishing eighth last season. The season was filled with many highlight moments, such as the 3-1 home wins over both local rivals Nuneaton Borough and Coalville Town. Brady Hickey finished as the club's top scorer in all competitions.

2023/24

Ian King departed for Coalville midway through the season which saw former boss Jimmy Ginnelly return as interim manager. A 14th place finish secured another season in step 3

2024/25

Ginnelly returned for his first full season back at Barwell, but it was one to forget as a winless run of 8 games at the turn of the year played a pivotal part in Barwell finishing in the relegation spots. However, after the demise of Farsley Celtic, Barwell were given another shot at step 3.

With major upheaval in the summer Barwell head into a new season with a new look squad and a new sense of optimism.

## Canadian league set to trial Wenger's offside idea

The Canadian Premier League is set to trial Arsene Wenger's "daylight" offside rule.

It was presented to the International Football Association Board (Ifab) at its annual business meeting on Tuesday.

It will now go forward to the annual general meeting in Cardiff on 28 February. If approved, the trial will begin when the Canadian Premier League kicks off in April.

Wenger, who has been Fifa's head of global football development since 2019, proposes that there should be a complete gap between the attacker and the second-to-last

opposition player - effectively the last defender, given the goalkeeper's usual positioning. Critics have suggested that daylight offside will give too much advantage to the attacking team. "We have to try the radical solution first and see if we need to come back from that," said Wenger when he left Tuesday's meeting in London.

It was first suggested six years ago but so far there have only been limited trials in youth football.

If the trial in Canada goes ahead, its results will be presented to Ifab at the end of year. If successful, there is the potential for the law to change across the world for the 2027-28 European season.

Other leagues are set to be invited to take part in the trial. It is likely Ifab will want multiple tests to show the change is robust, especially as the Canadian league does not have (VAR).

Before the Ifab meeting it was expected that the trials of "daylight" offside would be ditched in favour of "torso" offside, which ignores arms and feet when making a judgement.

However, there was opposition to this idea, and it is now unlikely to go to trials.

Arsene Wenger's offside law proposal has been debated for a long time. Six years, in fact. But the law is no closer to being altered than it was in 2020. That is despite controversial "microscopic" VAR decisions, ruling to the millimetre. Or are we only talking about changing the law because of them?

Think Coventry's dramatic goal in time added on at the end of extra time against Manchester United in the FA Cup semi-final two years ago. Had it stood, Coventry would have won 4-3. Instead, they lost on penalties. VAR stripped away what would have been one of the most iconic goals in the competition's history.

Still, should the very fabric of the game at all levels be changed because of VAR? And how realistic is it that Wenger's law will be adopted?

Wenger was appointed Fifa's chief of global football development in November 2019. One of his key remits was to find ways to promote attacking play. Within weeks he had presented his plan to revolutionise offside: visual separation - or, as it is more commonly known, daylight between players.

The former Arsenal manager says that if "any part of your body is on the same line as the defender, you're not offside". In other words, there needs to be a complete gap between the attacker and the second-to-last opposition player - effectively the last defender, given the goalkeeper's usual positioning.
